Explore our case studies to see how we've delivered innovative, secure, and reliable solutions across diverse projects worldwide, helping clients overcome complex challenges and achieve lasting success

## Client

### Coco Cola Amatil Fiji Limited – Design and Installation of Centralized Sate of the Art CCTV Solution

#### Client Challenge

- ECS designed and implemented a CCTV security system for Coco Cola Amatil Fiji Limited.
- Conducted a comprehensive site inspection to determine optimal camera placements.
- Organized staff training sessions to educate Coco Cola employees on system operation and management.
- Centralized all CCTV feeds to Coco Cola's security room for streamlined monitoring and management.
- Seamlessly integrated the CCTV system with Coco Cola's existing security infrastructure.
- Customized the CCTV system to meet Coco Cola's specific security requirements and operational needs.

#### Integrated Solution

- For Coco Cola Amatil Fiji Limited, ECS implemented an integrated CCTV security system, beginning with a detailed site inspection to strategically place cameras for comprehensive coverage. ECS organized staff training sessions to educate Coco Cola employees on system operation, while centralizing all CCTV feeds to the security room for streamlined monitoring. The system seamlessly integrated with Coco Cola's existing infrastructure and was customized to meet their specific security needs and operational requirements.

#### Business Value Delivered

- Overall, the integrated CCTV solution delivered by ECS delivers tangible business value by enhancing security, improving operational efficiency, reducing costs, mitigating risks, and bolstering customer confidence for Coco Cola Amatil Fiji Limited.
